Vascular Ultrasound at Santa Fe Imaging

Meet Our Radiologists

Jonathan D Lehman, MD

Dr. Jon Lehman is from Smithtown, NY, and obtained his Medical Degree from the Medical College of Virginia. Following a Diagnostic Radiology residency at the University of California, San Francisco, he completed a fellowship in Vascular and Interventional Radiology at the UCSF and Stanford Hospitals. He is board certified in Diagnostic Radiology from the American Board of Radiology and holds a Certificate of Additional Qualification in Interventional Radiology. He is a member of the Society of Interventional Radiology.

Thomas Burdick, MD

Dr. Thomas Burdick completed his Diagnostic Radiology Residency at the University of Texas Medical Branch in Galveston and his Interventional Radiology Fellowship at the Dotter Institute in 2001. Dr. Burdick has lectured nationally on the treatment of traumatic injuries with angiography and embolization. Additionally, he has extensive experience in the minimally invasive treatment of varicose veins and in the training of other physicians in this technique. Dr. Burdick is board certified in Diagnostic Radiology and holds his Certificate of Added Qualification in Interventional Radiology from the American Board of Radiology. He is a member of the Society of Interventional Radiology.
